

ARTUR FILIPE

IT & Cybersecurity Professional

artur.a.filipe@protonmail.com | +351 968 856 700 | Évora, Portugal | arturfilipe.work | linkedin.com/in/artur-filipe-it

Professional Profile

Professional transitioning to IT and cybersecurity with CompTIA A+ and Security+ certifications. I build hands-on projects in my homelab (pfSense, Suricata, Elastic SIEM, Docker, Pi-hole) and document everything on GitHub. 13 years of customer-facing experience developed strong incident management and communication skills applied daily in IT projects.

Certifications

CompTIA A+ (770) <i>CompTIA - Hardware, OS, networking and support</i>	Feb 2026
CompTIA Security+ <i>CompTIA - Network security, risk management, crypto</i>	Mar 2026
Introduction to Cybersecurity <i>Claranet / Professional Training</i>	Jun 2026
Cyber Security 101 <i>TryHackMe</i>	Jan 2026
